## HURON TOWNSHIP HISTORICAL DAYS

(L-R) Supervisor David Glaab, R.P. Lilly (Historical Commission), and Judy Reininger (Historical Society).

by **LARRY O'KELLEY**  
Freelance Writer

At the urging of the Huron Township Historical Society, the township board at the August 12th meeting proclaimed the second Saturday of September as Huron Township Historical Day. This year the date falls on September 12th.

Judy Reininger, who represented the Historical Society, and R.P. Lilly, who represented the Historical Commission, accepted the Proclamation from the township supervisor.

The Historical Society is beginning to prepare for this first annual event and expect that the community will come out and support their efforts. The day is targeted as a day to reflect on our past and educate the community

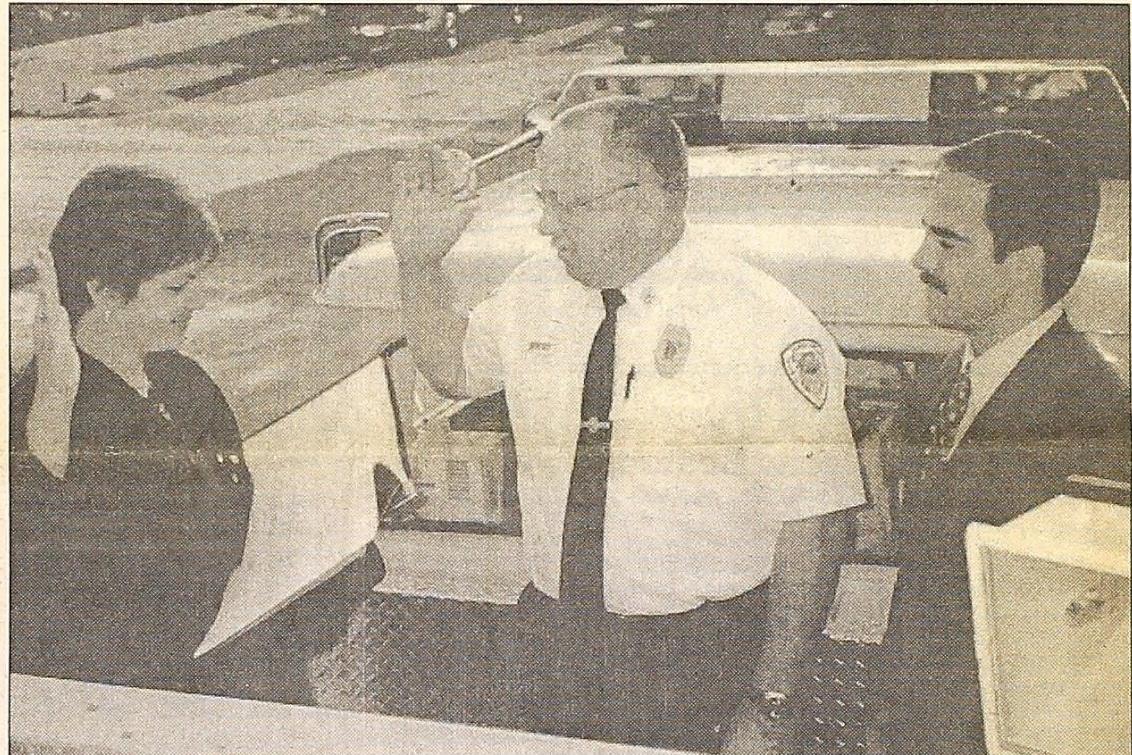

of our history. The day is also looking upon as being a day for the Society and the Commission to promote their organization and their goals.

It is also expected that a commemorative newspaper will be passed out on various street corners in the township in exchange for donations. It is hoped that this newspaper will become a keepsake and will provide enjoyment to the reading public. For those that will be out of town, you may forward a donation to the Huron Township Historical Society.

The volunteers that will be stationed throughout the township will be dressed in historical clothing and the Society encourages all the business people and citizens

## Introducing New Fire Chief David Russow

(L-R) The Honorable Tina Brooks-Green, Chief David Russow, Supervisor David Glaab.

Wednesday, August 12, 1998, prior to the township board meeting, newly promoted Fire Chief David Russow was sworn in by 34th District Judge Tina Brooks-Green with township supervisor David Glaab assisting. In attendance were the township board and family members, wife Yvonne, son Jason with his wife Lisa, and his mother Marcella.

Chief Russow has been a township resident his entire

life, a graduate of Huron High School and over 25 years of fire service in Huron Township. He was assigned to Station 3, located at Middlebelt and Sibley roads, and held the Assistant Battalion Chief position. He is currently employed by Wayne County at Detroit Metro Airport Fire Department as Fire Chief.

Chief Russow is looking forward to serving the residents of Huron Township. He is working towards upgrading the Emergency Medical Service under the Bennet bill that Battalion Chief Mark Kenosian spearheaded. This goal is soon to be achieved.

"The Huron Township

Fire Department personnel that provide Fire and EMS services to our community are some of the most dedicated people I have known, and I was fortunate to be chosen to head this group."

Thanks to the citizens of Huron Township that supported and passed the millage, a new ambulance is on order with delivery scheduled after the first of the year. In addition to the ambulance, two fire trucks are ordered with a late fall delivery date.

"We will continue to be a progressive department with the cooperation of the citizens, the township board and Fire Department personnel."

DATES:

**Township News****Water Pressure Issue on Waltz Road**

The August 12th board meeting was rather uneventful but two citizens did speak about possible low water pressure on Waltz Road near the proposed site for the Pineview Estates. For several meetings a few citizens have complained publicly to the board about their concerns over low water pressure in the area. They have suggested the water pressure is low in the area and the Pineview Estates development will likely further reduce the pressure.

Citizens Russ Nieman and Linda Lewandowski have spoken before the board on prior occasions and the DPW has responded that their tests showed the PSI (pounds per inch) was around 70 and this was more than adequate. The DPW had suggested that the reasons for the low pressure may be in the individual's home. To this, the Lewandowski and Nieman families responded that their homes either have new plumbing or

their home is less than ten years old.

At the August 12th board meetings Russ and Linda provided the board with a chart showing the water pressure at the homes for a four-day period of July 29 through August 2nd. They also provided *The Huron River Weekly* with a copy. A review of the charts show the water pressure during the hours around 7 p.m. was in the low 30 PSI. The charts also show that even during non-peak hours the PSI was in the 40s.

Nieman and Lewandowski feel this shows the low water pressure and hints that the pressure will be further lowered by the new development of homes in the area.

The board took the information under advisement but no commitments were made regarding the disposition of the information that was presented.

# AL FRESCO

Georgette Heron-Willoughby

This week's recipe is one of my very favorites. Did you ever want just a light meal for lunch or for dinner after a hard day? This dish is the perfect thing for that occasion.

This recipe is very flexible, you can use any or all of the fresh vegetables depending on

what you like or the availability.

I like to use penne pasta with this dish because it holds the sauce well, but you may use rotini or farfalle.

A tip to get the smell of garlic off of your hands is to rub them on your stainless steel

sink and then wash them with soap.

Do you have a favorite recipe you'd like to share?

## Pasta Primavera

Serves 4

3 cups (cooked) Penne pasta  
1/2 Cup Extra-Virgin Olive Oil  
1/4 Cup Butter or Margarine  
2 Cloves Garlic (finely chopped)  
1/2 Cup Red Onion (1-in. pieces)  
1/2 Cup Green Pepper (1-in. pieces)  
1/2 Cup Red Pepper (1-in. pieces)  
1 Cup Zucchini (1-in. pieces)  
1 Cup Summer Squash (1-in. pieces)  
1 Cup Broccoli (flowerettes)  
4 Sun-Dried Tomatoes (chopped)  
1/3 Cup \*\*Fresh Basil (chopped)  
1/3 Cup Black Olive Rings  
1 15-oz. Can Diced Tomatoes  
Salt & Pepper to taste

Cook the pasta in a large pot and while it is draining use the same pot to cook the vegetables. Heat olive oil and butter and add vegetables one at a time in sequence. When all of the ingredients are combined, stir, cover and simmer 15 minutes. At this time adjust the salt and pepper to your taste. Stir in pasta and heat through. Serve with freshly grated parmesan cheese.

\*If you use dry sun-dried tomatoes, soften them in hot water for 3-5 minutes.

\*\*If fresh basil is not available just use 1 Tbs. dried basil and don't forget to crush it between your hands to release the flavor.

by LARRY O'KELLEY

Over the years Margaret my Maggie and I have pretty much agreed on everything. We are kindred spirits afloat in this little bit of cosmos called Huron Township. However, there is one thing we likely will never agree on and I think it has more to do with how a male/female looks at it than any intellectual perspective.

I enjoy sports – particularly football. I have never been a fanatic about it and I honestly cannot name most of the players on any sports team and I am a casual reader of the sports page. However, I enjoy all the elements that are

involved in sports and I do enjoy and respect the game of football. Maggie, on the other hand is bored with it and sniffs "there is too much money involved and there are more important things to consider." She sees all the social ills of our society and then sees sports people getting paid millions. She doesn't understand the attraction to sports and men's devotion to it.

I have tried to explain it to her, but it just doesn't compute. I have tried to explain that even before there was such a term "male bonding," men used sports to bond.

There are a lot of memories wrapped up in sports events and almost any man can click off the date of an important game and where he was when it happened. He can also name who he was with and the names almost never include women.

Guys like to gather together at a sporting event as a "rite of passage" thing and as time passes the event begins to take on mystical qualities. It doesn't matter if it happened live or in front of a television – the event gains in importance as time passes. Women don't think in such terms. Their dates deal with birthdays and anniversaries. Our dates deal with Super Bowls and World Series. Like, "Oh yeah, that was the year Reggie hit it out of the park." Women say, "Oh yeah, that was the year that little Jimmy was born."

Maggie knows that "picture in picture" was not invented to allow women to watch two programs on TV at the same time. She knows it was invented to allow men to watch two sports events at the same time as well as have the radio on. She thinks it is all madness and from her perspective it probably is.

All I can tell you is that I enjoy the sports thing and it is likely something in her genetic code that makes her the defective mate in this matter.

What this is all getting at is the Detroit Lions will soon be playing another season of football. I have suffered since the middle 60's and I am one of those fools that gets his heart broken every season as the Lions fumble and bumble their way through another season. I yell, swear and vow never to go to another game or watch them on TV. I vow this year and every year you can find me watching the game or listening to the game on the radio. I mourn on Monday when they lose and I am sick on Monday when they win because I know they have just screwed up a chance at a high draft pick for the next season.

Maggie watches all this and wonders about my genetic code. I guess when it comes to the Lions she may be right.

Frog went a-leapin' and he did jump uh-hu!

Listening to all the croaking noises coming from Grass Roots Nursery on Bell Road Sunday morning you could figure that everyone had a hopping good time! It was their Fourth Annual Frog Jumping Contest.

The prepared frog track was 32-feet in length. The enthusiasm of the 23 entries was great and, of course, everyone had the winning frog.

Alas, only one could have the champion jumper and that was Jennifer Davis, age eleven, of Garden City. The Davis' have made this a family event each year and two of Jennifer's siblings have won in the past. A younger sister already has her eye on next year's winnings.

P.S. Jennifer won with a Grass Roots (Huron Township) frog!

# Free Family Picnic

Brian A. Oakley is giving away hotdogs! Pop, too! The candidate for 34th District Court has announced a free family picnic on Saturday, August 29 at 3 p.m.

The picnic will be located at 36750 Wick Road in Romulus. This is next to the Wick Elementary School which is located west of Wayne Road north of I-94.

Oakley promises lots of fun

for kids of all ages with swimming, volleyball, horseshoes, hayrides and, of course, lots of hotdogs!

Oakley stressed "This is not a fundraiser - this is open to everyone in Belleville, Huron, Romulus, Sumpter and Van Buren. This is a chance for voters to come out and meet my family and I in an informal setting. I also promise to make no long speeches!"

## RAFFLE

The Chamber will be selling Applefest raffle tickets for \$1 each at Mans during the fund-raiser, so be sure to stop and pick yours up for a chance to win a 19-inch tv/vcr combo (1st prize), a boom box (2nd prize), or a handmade wool quilt (3rd prize).
